I thought both Jessica and I let you know that the deadline was moved to 2/12. The court, the AUSA, and Bob Harrison spoke and the court represented they would move the deadline.

I received this email yesterday from Craig:

"I was out today. Sorry for not responding. I trust you spoke with Bo. Harrison re: status. The Court agreed to extend until Feb with new trial date in July."

I guess the actual order will be entered next week. You know the same amount on information as I do. And since we have the deadline extension, I plan on filing the motions when Mike directs me to after finalizing. With the extension, I imagine he doesn't want to rush with filing since we have an extra 6 weeks or so.
